

An eBook is a collection of topic-centric articles that are packaged together in a downloadable digital media format. Each eBook includes new or repurposed relevant articles from your brand, and may be supported by content from up to three sponsors.

Content-Driven; Lead-Generating

Position your company as a thought leader as you help educate readers on a highly relevant and timely topic presented in an interactive format that is easily accessible and read. Our eBooks are:

- Hosted on www.dairyfoods.com with links provided to you for your remarketing. PDF format and digital edition formats are available.
- Deployed to *Dairy Foods'* audience for maximum exposure
- Lead-generating – demographics captured include name, title, company, address, phone and email, provided to you for lead follow-up within 5 days of your deployment
