2019 BONUS DISTRIBUTION!**

DECEMBER 2018 | AD CLOSE: NOVEMBER 8 | MATERIALS DUE: NOVEMBER 15

PROCESSOR OF THE YEAR **LAND O'LAKES, INC.**

A member-owned cooperative with 2017 annual sales of \$14 billion, Land O'Lakes Inc. not only is one of the nation's largest cooperatives, but also is *Dairy Foods*' 2018 Processor of the Year. *Dairy Foods* is pleased to honor the Arden Hills, Minn.-based company for its innovative Dairy Accelerator program, strong sustainability focus, recognition as a yellow ribbon company, recent record-setting earnings and many other accomplishments.

PROCESSING TECHNOLOGIES: ESL AND ASEPTIC PROCESSING

We discuss advances in extended shelf-life and aseptic processing and packaging.

EQUIPMENT SHOWCASE

Dairy Foods highlights the best of the equipment and packaging featured at Pack Expo International.

INGREDIENT TECHNOLOGIES: INGREDIENTS FOR FROZEN DESSERTS

Sales of frozen dairy desserts have been falling, but the right ingredients could help improve the outlook for these sweet treats. We take a look at which ingredients are hot — and which are not.

EAT. DRINK. DAIRY.

We unveil the newest dairy foods and beverages.

SALES ANALYSIS

Dairy Foods analyzes the latest IRI data pertaining to the cheese category.

COLUMNISTS

Health & Wellness

Columnist Sharon Gerdes tackles the topic of GMOs.

Dairy & Nutrition
